

Couple Planning Guide

ABOUT

Our team at Xlitude have carefully curated a Couple planning guide to aid you in your plans towards the future with your other half. This Couple Guide comes with a **Free Personalised Financial Planning** for you and your partner.

Read on to find out more about how you can get ready for Marriage, Wedding, Honeymoon, and starting a family!

Once you know your dreams and goals, let our consultants will do the nitty-gritty calculations for you!

GETTING MARRIED?

Unsure about the cost of marriage, how to prepare for it financially? We have done the work for you so you don't have to!

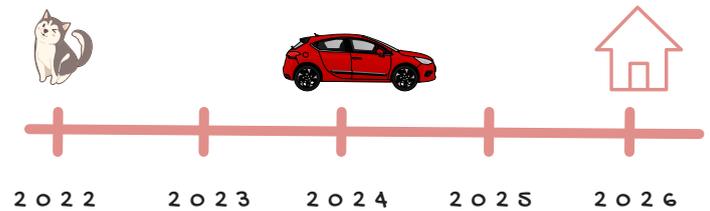

Our team have curated a comprehensive calculator to help you get wedded the way you want to

COUPLE GOALS

Couple Goals does not always have to be about marriage, housing and kids. Want to spend the night under the northern lights? Or perhaps travel the world with your other half? We are here to help.

THE GREAT 5-YEAR PLAN

Before you can start living your dream life, you have to **plan it**.

Pin it up on your Couple Board

As the saying goes, out of sight, out of mind

- Write down 10 - 12 goals each
- Share with each other and decide which to pursue

Questions for your *Couple Goals*

Need a checklist? We got you covered! In case you need a reference or a couple activity, here it is

- 1) If I could snap my fingers and get what in 3 - 5 years time, what would it be?
- 2) If I have kids, how would I like them to be brought up?
- 3) What would my ideal marriage life be like?
- 4) Where do I want to spend the rest of my life with my other half at?
- 5) Is there anything exclusive to your relationship that you want to get done?
- 6) What kind of lifestyle I wish I can provide my other half and my future family
- 7) Wedding! Is it going to be grand? Or should we ball during our honeymoon?
- 8) Should my first car be a SUV? Will we have kids?
- 9) Should we BTO? or get a Resale? And how should we design the house, should we get that kitchen island?
- 10) How much should we save together to reach our goals?

Needs	Wants
	

Categories your needs and wants as a couple. This will help you prioritize what really matters and which ones to focus on first.

Once this is sorted out, there is nothing stopping you from focusing on what really matters to you both!

A Gift for you

Planning for the future together with your other half could be complicated and difficult. Find out how you can achieve your dream goals together with your partner with our **Financial Calculator!**

This Couple Guide comes along with a Free Consultation and Personalised Financial Planning so that you can bring your relationship to the next step!
